THE SACRED ARK: A MIKE TRAVIS PARANORMAL INVESTIGATION

Raven Crest Books. Paperback. Book Condition: New. Paperback. 224 pages. Dimensions: 8.0in. x 5.0in. x 0.5in. Announcing the third in the Mike Travis paranormal investigator series A longer pause and then a lowered tone. Jesus Christ, Josh. What have you found An even longer pause. The Ark of the Covenant. When paranormal investigator Mike Travis answers a call for help, he doesn't anticipate being flung headlong into Ancient Egyptian secrets in The Sacred Ark. An old acquaintance needs his help in his search for proof that his controversial theories are correct, theories which have resulted in him being ridiculed by the world of archaeology. Mike finds himself in the heart of the Sinai desert pursued by government and Vatican hit men, all desperate to find the same thing, the Ark of the Covenant. What secrets does it hide and where will it take him Praise for Jan McDonald This is, without a doubt, the best Paranormal Occult book I have read in a long time. This book has mystery, paranormal, occult, and a bit of romance all rolled into one book. The book is well written, easy to read, all parts of the book fit together nicely. The characters are well written, believable, and as far as the story will allow, well detailed. Review from The Crowsmoor Curse About Jan McDonald Jan lives close to the Welsh borders which have their own mystical quality and provide endless resources in the way of legends and folklore surrounding paranormal experiences. She loves all things paranormal and has read the best: Dennis Wheatley, Stephen King, Edgar Allan Poe, Bram Stoker and all those authors that excel in the creepy or downright scary world of paranormal events. When she embarked on the Mike Travis series (The Crowsmoor Curse, Long Shadows and The Sacred Ark) she...
