Excerpt: . scale Ararat belongs to the Russian traveller Parrot, who made the ascent in 1829. Since that time the number of successful ascents has been, so far as I have been able to determine, fourteen, including our own. Of this total of fifteen the credit of eight belongs to Russia, while five fall to England, one to Germany, and one to the United States of America. H v T The sun had already risen as I let myself down through the open casement of the window and dropped into the garden among the dry brushwood encumbering its sandy floor. Not a soul was stirring, and not a sound disturbed the composure of an Eastern morning, the great world fulfilling its task in silence, and all nature sedate and serene. A narrow strip of plantation runs at the back of Aralykh, on the south, sustained...
