

## The Wailing Asteroid The World that Couldnt Be

By Murray Leinster

Armchair Fiction & Music. Paperback. Book Condition: New. Paperback. 224 pages. Dimensions: 8.0in. x 5.2in. x 0.6in. Armchair Fiction presents extra large editions of classic science fiction double novels. The first novel is sci-fi maestro Murray Leinsters The Wailing Asteroid. There was no life on the asteroid, but the miles of rock-hewn corridors through which the Earth party wandered left no doubt about the purpose of the asteroid. It was a mighty fortress, stocked with weapons of destruction beyond mans power to understand. And yet there was no life here, nor had there been for untold centuries. What race had built this stronghold What unimaginable power were they defending against Why was it abandoned There was no answer, all was dead. But not quite all. For in a room above the tomb-like fortress a powerful transmitter beamed its birdlike, fluting sounds toward Earth. Near it, on a huge star map of the universe, with light-years measured by inches, ten tiny red sparks were moving, crawling inexorably toward the center. Moving, at many times the speed of light, with the acquired mass of suns moving, on a course that would pass through the solar system. The unknown aliens would not even see our sun...
