COLLINS COMPLETE PHOTOGRAPHY PROJECTS

HarperCollins Publishers. Hardback. Book Condition: new. BRAND NEW, Collins Complete Photography Projects, John Garrett, Graeme Harris, The book all amateur digital photographers need - learn how to take the perfect photograph every time, from the authors of the bestselling Collins Complete Photography Course. In this book, John and Graeme apply their years of experience as professional photographers and instructors to teaching you the techniques and tips for capturing your friends and family, children and pets, holidays, sports days, celebrations, parties, festivals, weddings, births and birthdays. This book will show you the best way to photograph them all - every important person, place and memory you'll want to treasure. Using the same practical, project based course structure that helped so many amateur photographers get to grips with their cameras in their bestselling Collins Complete Photography Course, John and Graeme will give you the confidence to get out your camera and start taking photos. Includes tips and advice on how to get the best out of your iphone and other mobile and point-and-shoots cameras as well as your digital SLR. John and Graeme's warm and encouraging style will build your confidence, inspire your creativity and get you experimenting with your photos. With specially shot case studies and projects, step-by-steps, troubleshooting and project reviews you'll be learning as you shoot right from the get go. Collins Complete Photography Projects is the natural follow-up to the Collins Complete Photography Course, benefiting those who have worked their way through the first one, but it will stand alone with a concise technical section that will bring new readers up to speed. A must have photography book for anyone with a digital camera and a little imagination.
