Autism: The Ultimate Handbook to Parenting and Teaching an Autistic Child

By Suzanne Jensen

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you want to know how to make life easier, simpler, and better for children affected with Autism Spectrum Disorder using solid strategies and useful information? If your children or someone you know is affected with Autism Spectrum Disease (ASD) you probably know that learning and development is a very big challenge. Also you may know that children diagnosed with ASD face difficulties in areas like communication, language, repetitive behavior, socialization, and restricted interests. For this reason it is extremely important that the family and caregivers (at home and school) have the appropriate education and knowledge to make life easier, simpler and better for these beloved children. This guide contains the most important information you must know about ASD and its primary objective is to guide and educate the readers about the difficulties and challenges that an autistic child faces every day and how he or she can help them make their days, weeks, months and years smoother. You ll also discover the needs of ASD affected children and great tips for taking care of them; solid strategies...
