## GOD S TOP TEN LIST: THE COSMIC CODE FOR ENLIGHTENED LIVING

Light Inside Publishing, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.God s Top Ten List is the first book to reveal how one of the most revered ancient scriptures can help us to live happier, healthier and more fulfilling lives today. Far beyond what seems to be a loose list of unrelated decrees, the Ten Commandments are actually a sequential system for successful living, a Cosmic Code of ten life-changing principles. At times irreverent, yet straightforward, God s Top Ten List provides a lively, witty and relevant refocusing of what it means to be both spiritual and human. Through probing questions and real life personal stories, the author takes the reader on a journey beyond conventional religious teachings to reveal how the Ten Commandments can feed and nourish every single aspect of our lives. Excerpt from the book: For many years, we have thought and acted like life was all about keeping order in the universe (as if it was up to us), and we looked to the Ten Commandments to uphold that order. We erroneously took on the wearisome habit of keeping things tidy when we are actually intended to paint our world with broad strokes of brilliant color! We are not here merely to categorize and to classify. We re here to create.and to enjoy! You see, life isn t simply about surviving. It s about surpassing. It s not about maintaining - It s about focusing on the Main Thing. And that, my friends, is the underlying message we have gleaned from this team of time-tested testaments. Check it out for yourself. Begin at the beginning and build from there, and you will discover a design for living that will amaze and astound...
