Reviews

This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Junius Herman)

KNITTED VEGETABLES

Search Press Ltd. Paperback. Book Condition: new. BRAND NEW, Knitted Vegetables, Susie Johns, You do not need an allotment to produce this abundant crop of vegetables - just needles, yarn and a little knitting know-how. Ranging from everyday carrots and peas to more exotic chili peppers and artichokes, you can whip up a whole basketful of fun novelty knits in the time it takes to do your shopping! The projects are small, self-contained and relatively quick to complete. These knitted vegetables would make good novelty gifts: make one or two for friends, or a whole basketful to sell at a fete or bazaar. They would also make ideal 'play food' for children. Best of all, they are fun to make.
