Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

A non-categorical, characteristics approach to addressing high-prevalence mild disabilities. *Learners with Mild Disabilities: A Characteristics Approach* focuses on high-prevalence disorders affecting school learners today, including mild intellectual disabilities, learning disabilities, emotional/behavioral disorders, ADHD, autism spectrum disorders, and communication disorders, as well as on low incidence conditions that may manifest in the milder range, for example sensory, physical, health, or TBI. The author lays the foundation for addressing the needs of special learners and then focuses on learners from the perspective of alternative non-categorical frameworks. She describes students with disabilities and related conditions with respect to a variety of individual strengths and needs, considering their cognitive, language, academic learning, and social/emotional characteristics. Readers see how to apply these conceptual frameworks by analyzing a number of vignettes and extended case studies based on the experiences of real children and teachers. Designed as a primary text for use in undergraduate and graduate courses addressing the characteristics of learners with high prevalence or milder levels of disability, the text is also useful for the first specialized course in a special education program. It supports programs in inclusive education or the growing area of generic special education. The Enhanced Pearson eText features embedded video. Improve mastery and retention with the Enhanced Pearson eText* This access code card provides access to the new Enhanced...
