This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

General Accounting Office, 2001 OCLC Number: (OCoLC)54545735 Subject: Aeronautics and state -- United States. Excerpt: . . . Contractual Status of Programs System, and NASA Environmental Tracking System as specific data bases that will be used to verify and validate performance data. The plan describes specific processes in place to support performance claims associated with NASAs Integrated Financial Management System, performance-based contracts, contracts awarded to small and small disadvantaged businesses, and information technology. And it describes a broad array of methods to verify and validate reported performance data such as monthly reports from NASA field centers, Web statistics, count of publications, and NASAs Education Computer Aided Tracking System. Despite improvements in addressing data verification and validation methods, NASA still does not acknowledge data limitations that could hinder performance measurement. We continue to believe that NASA can further enhance the credibility of its verification and validation procedures and the usefulness of its performance data by disclosing the expected limitations of its performance data in its annual performance plans. A March 2001 NASA Office of Inspector General report identified limitations in NASAs fiscal year 2000 performance data and indicated that NASA would discuss anticipated data limitations in its performance planning beginning with its fiscal year 2002 final performance 12 plan. However, we reviewed the final version of the plan, and such a discussion is not included. Second, several added features help to enhance the format and or content of the fiscal year 2002 plan. NASAs use of annual performance goals in the plan characterizes its annual performance measures more clearly than the annual performance targets, used in previous plans. The addition of discussions on how annual performance goals benefit the...
