*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

Oh, like a sunbeam mid the gloom You swiftly glide along the pave; Your face is like a flower in bloom, A pearl beneath the ocean wave. On me your glances never rest: Your starry eyes, with grace a-glow, The stranger s care have never guessed; I watch you when you do not know. I watch you pass amid the throng And thread the loud and busy street; So heedless sweeps the crowd along, I tremble for your little feet. Your looks shine out so sweet and warm, The winds of heaven more gently blow. A SONG OF THE STREET. No sudden ill your feet shall harm; I guard you when you do not know. Oh, fairer than the wild rose spray Your...
