University of Nebraska Press. Paperback. Book Condition: new. BRAND NEW, Quilting Lessons: Notes from the Scrap Bag of a Writer and Quilter, Janet Catherine Berlo, In the middle of a successful academic career, art historian Janet Catherine Berlo found herself literally at a loss for words. A severe case of writer's block forced her to abandon a book manuscript midstream; she found herself quilting instead. Scorning the logic, planning, and order of scholarship and writing, she immersed herself in freewheeling patterns and vivid colours. For eighteen months she spent all day, every day, quilting. This book penetrates to the very heart of women's lives, focusing on their relationships to family and friends, to work, to daily tasks. It is a search for meaning at midlife, a search for an integration of career and creativity.
