GAMES AND EXERCISES FOR MENTALLY DEFECTIVE BOSSES, COWORKERS AND EMPLOYEES

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 86 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. We all have them. . . the Boss, Coworker and Employees that are just a little feeble-minded. Sometimes as they come to you for help you wonder how they got to work that morning without being hit by the tram, subway or bus. You wonder how do they find the restroom How did they make it this far without something drastic happening to them Now you can help. . . thats right. . . you can help them. You cannot get complain or get upset unless you have made a true effort to help them. John Corbin has (utilizing a system originally created by Miss Wrightson for children) brought together in convenient form a large number of games especially adapted to accomplish these results. Johns long experience with feeble-minded bosses, employees andor coworkers is a guarantee of their usefulness and efficacy for the purpose. It should be fully appreciated by CEOs, Human Resources, and higher Management that the playing of these games is not mere play, but definite training of the best kind, in many cases there is little else to be done. THE games and exercises in this book were written for use of the normal people who have feeble-minded bosses, employees andor coworkers, the object being to help develop muscular control and to quicken the sense perceptions. The most difficult among the exercises could be mastered with ease by a normal boss, employee or coworker of any age. The following instructions should be observed: Absolute simplicity in the training is essential. The manner in which a game is played is of more importance than the game itself. A simple game or exercise taught in a complex...
