Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Enjoy this satirical parody on the Supernatural War! In the heart of contemporary London, two comedic millennials, Adam and Ayn, are sleuths embroiled in solving the riddle of a harrowing murder mystery. Little do they suspect that they are under the chilling adversarial microscope of the Supernatural War's Watchers (corporate demons in the global cabal). On this mad eurosceptic escapade through the streets of modern London, Adam and Ayn, as a Daredevil Duo, endeavor to save the EU from utter ruin under an international trade Treaty, risking life and limb. Adam's worst fears about the dark side are soon realized and it is suddenly his responsibility to beat the antagonist to the next devastating punch--not merely to save the endangered life of Ayn but also to save the very future and integrity of Europe! This is a riveting international mystery thriller, simultaneously bone-chilling and amusing, about angels and demons and their perspective on the humans in the Supernatural War--set against the intriguing backdrop of humanity's desperate bid for the future of freedom and democracy. A fast-moving and insightful (but delightfully entertaining) cosmopolitan murder mystery novel that is guaranteed to grip your attention.
