Brand New Book ***** Print on Demand *****.From a certified teacher and founder of an online tutoring website-a simple and effective guide for parents and students to learn math at home. Studies show that parental involvement results in better grades, higher test scores, and better chances on future academic success. Tutoring has proven to be an effective way to improve grades. But, few parents realize that they can, in fact, be their child s best tutor! It s Stuart Ackerman s goal to get parents to understand curriculum documents to help their own children at home. Ackerman - who has been a regular guest on radio and television - gives families the tools they need to self-tutor their kids without even opening a textbook. The book features all the subject areas in math from grades 1-6 and gives real-life, hands-on math skills that kids can learn with help from their parents. Learn Em Good also provides a section of the most common math problem areas and shows parents how they can easily help their children succeed in math class. This book will help you: 1....
