I am an English-speaker. My mother tongue is English. I

am also fluent in French, which I learned earlier in life. So

when, about five years ago, I decided to start learning German,

I thought at the time that, hey, German could not be more

difficult to learn than French with its many tenses and many

exceptions. I was sure that I would be fluent in German within a

year. Five years later, although I now have a working

knowledge of German and am able to participate in

conversations, I am still learning this complex language of

100,000 words, tough grammar with three genders and many

forms, verb usage requiring super-precision, and many other

challenges. Why did I decide to write this book? Most books on

learning German are written by German language experts,

people whose mother tongue is German, people who may not

fully appreciate the hurdles English speakers may face when

trying to learn a language as complex as German. I wanted to

write a book on learning German from the perspective of...
