ALUMNI BULLETIN, VOL. 1: COMPRISING A LIST OF THE GRADUATES OF COLORADO COLLEGE TO JUNE, 1909, INCLUSIVE (CLASSIC REPRINT)

Brand New Book ***** Print on Demand *****.Excerpt from Alumni Bulletin, Vol. 1: Comprising a List of the Graduates of Colorado College to June, 1909, Inclusive Since the founding of Colorado College in 1874, upwards of 4,000 students have entered the school. Of these 438 have graduated. To understand this work, something of the early history of the College is necessary. The records of Colorado College for the years 1874, 1875 and 1876 were burned. From that time up to about the year 1892 the records of all departments seem to have been kept in a single book. If the situation in regard to the graduates is difficult, that of other past members of the school is ten times worse. Frequently nothing but the last name remains. Often the same name appears spelled in several different ways, and the names of several hundred have been secured from outside sources, of whom, apparently, the College has no record. It is to be regretted that this work was not undertaken at an earlier date. Colleges and Universities throughout the United States consider...
