Summary: My iPad for Seniors offers readers a full-color, fully illustrated, four-color step by step resource to using their iPad to do everyday tasks such as web surfing and email, as well as apps to help with managing finances, planning travel, finding a restaurant, communicating with friends and family using apps like Skype and FaceTime, organizing and editing photos and much more. Each task is stepped through with corresponding visuals that are numbered to match the step they are referred by. Notes and sidebars give additional insight into using the iPad without requiring the reader to sort through paragraphs of text to find the information they want. Tasks are clearly titled to help the reader quickly and easily find things they want to accomplish on their iPad. Everything from setup and configuration to using apps like Pages and Maps is clearly illustrated and easy to follow. Learn how to use the iPad's two cameras to take pictures and video and share them with friends or chat with them live. Use Siri to dictate email, messages, notes and more. Take video with the front and rear camera. Video chat with your friends using FaceTime over Wi-Fi or cellular. Stream audio and video to Apple TV and other devices. Connect your iPad to your Wi-Fi network and cellular networks. Synchronize data between your computer and iPad. Share photos using Shared Photo Stream. Edit and share photos and video using iPhoto and iMovie. Watch movies, TV shows, YouTube, or home videos. Quickly and easily keep up with your social networks using integrated Facebook and Twitter features. Use iCloud tabs in Safari to make browsing easier across devices. Download apps to make your iPad even more useful. Use Passbook to keep track of movie and airline tickets and much more. Create documents...
