Functional Diagnosis (Classic Reprint)

By Max Kahn

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Functional Diagnosis This volume is another milestone on the highway of progress in Medicine. It marks another advance in the march toward prevention and control of disease. The necessity for the use of tests of function, in attaining accuracy and completeness in the diagnosis of many diseases, and in determining the degree or the extent of physiological disorder, is obvious. The reliability of many of the available tests of function has been firmly and convincingly established. The futility of some of the proposed methods for this purpose has likewise been clearly indicated. Separation of the wheat from the chaff is in progress in this field as in every other in Medicine. The promise of development in the scope and proficiency of the methodology of function-testing appears to be limited only by the amount and character of the clinical observation and laboratory research this general means of study and diagnosis will attract and receive. An obstacle in the way of rapidity of extension in the use and evaluation of many of the reliable functional tests, and...
