

Christopher Marley s Incredible Insects

Filesize: 4.91 MB

Reviews

Most of these ebook is the perfect publication offered. Sure, it really is play, still an interesting and amazing literature. You wont truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me).

Pomegranate Communications Inc,US, United States, 2013. Novelty book. Book Condition: New. 5 Rev ed.. 269 x 216 mm. Language: English . Brand New Book. As a kid, Christopher Marley was afraid of bugs. But after his travels took him to farflung parts of the world inhabited by amazing insects, his fear gave way to fascination. The variety of forms and colors in the insect world is almost endless. Did you know that beetles alone account for nearly a quarter of all animal species on Earth? So Marley began collecting beetles, bugs, butterflies, and other insects, arranging them into stunning works of art such as the one shown here. Its art with a purpose: if more people experience the incredible beauty of these creepycrawly critters, perhaps they will not be so squeamish about them (and will be less likely to squish them, too!). Who knows? Maybe these stickers will help lead you, like Christopher Marley, to a lifetime of learning about the amazing world of insects! 8 page softcover book with more than 200 reusable paper stickers (99 different designs) featuring photographs of insects by Christopher Marley. Includes a diagram identifying all the insects.
