*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

HOW THEN SHALL WE ESCAPE by Daniel Mc Nab The author seeks to hold the readers attention with this thought provoking question of eternal importance. He says that believers and seekers will only begin to fully understand the depth the height, and the immeasurable expanse of the love of God for lost humanity with a better understanding of Pauls Letter to the Hebrews. At enormous cost to Himself God sent forth His Son into the world to seek and to save lost humanity. No one ever seek after God. It is always God seeking after us. Ever since the fall of Adam and Eve to the present period of this earths history, God has been seeking to bridge the gap that sin has caused between Himself and our rebellious fallen race. God desires to have fellowship- close communion with mankind. As proof of Gods final call He sent His Son Jesus Christ to make Gods love known to us, and to bridge the gulf that developed between man and His Creator. Jesus Christ is Gods final call to lost mankind, and He went to the cross to prove the everlasting love of God for us. In Jesus Christ God gave His all to redeem us from bondage to sin. Now after all that God has done, if we reject His final call- How then shall we Escape The author graduated from Andersonville Baptist Seminary, Camilla, Georgia, with a Master of Theology degree.
