Reviews

A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.

Michael O'Mara Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Adventures of a Wimpy Superhero: Rise of the Loser, Tim Collins, Josh Walker is an ordinary teenage nerd. But when he puts his costume on, he is transformed into an ordinary teenage nerd with a costume on. After years of watching superhero movies, reading comics and fantasizing about being a crime-fighter, he decides to become one. First of all he needs a superhero name, a superhero costume and some superpowers. Then he needs to find some crime to fight. His diary chronicles his valiant attempts to make the world a better place and, armed with only plastic handcuffs and stink bombs, and stuck with his dependable but incompetent sidekick, Henry, Josh becomes embroiled in a dark world of crime, armed gangs and people illegally parking in disabled spaces. Accompanied by hilarious illustrations throughout, The Adventures of a Wimpy Superhero tells the story of the everyday dilemmas of superheroes in the real world through the hilarious diary of a fifteen-year-old boy. It asks the big questions, such as: Why would someone want to fight crime? Wouldn't they get in the way of police (and school) work? Why would a tight-fitting Lycra costume help? Will Josh rise to the challenge and become a genuine hero? Or will he go home and hide under his bed?.
